SYDNEY, AUSTRALIA

July 6, 2010

Mr. Michael Barlow
President
Sydney Harmony Inc
PO Box 228
CAMMERAY NSW 2062

Dear Michael:

On behalf of everyone at the U.S. Consulate General, may I express warm and enthusiastic thanks for Sydney Harmony's participation for the second time in our Independence Day celebration. We and the guests had so enjoyed the barbershop quartet's performance in 2008 that we sought your support again this year and were thrilled when Sydney Harmony said "yes." Tim Wilson, Michael Camit, Mike Barlow, and Tony Sykes delivered renditions of the Australian and American national anthems that were simply glorious. Their medley of American favorites raised cheers from the crowd! The admiring comments from our guests on the night and the ecstatic reviews from our staff the next morning are testimony to the magnificence of the performance.

Thank you and the most harmonious of barbershop quartets again.

Sincerely,

A handwritten signature in black ink, appearing to read "Judith R. Fergin".
